How to Use

- 1 Reserve a rental car at a participating rental car company.
- 2 At the rental car location, fill out the required information on the "Niigata Expressway Pass" application form.
- 3 At the rental car location, pay the fee.
- 4 Borrow the ETC card and rental vehicle from the rental car company.
- 5 Use the rental vehicle and ETC card that you borrowed to travel in the Journey Area (unlimited journeys).
- 6 Return the vehicle and the ETC card to the participating rental car location. Pay the toll costs of any journeys outside the Journey Area.

[Notes]

- Only available for ordinary or light vehicles borrowed from a partner rental car company. (See our website for partner rental car company information.)
- Please use the ETC card and vehicle lent by the rental car company in the applicable area as directed.
- For information about how to use the ETC card, please see the ETC Terms of Service and the ETC System Usage Regulations.
- When using this pass, the display in the ETC lane and the on-board device will indicate the regular toll cost for that journey.
- Depending on the area, day, or time of use, there may be cases where it is more expensive to use this pass. If you travel in the Journey Area, even if the toll cost is cheaper than the cost of the pass, you will be charged for using the pass.
- If you drive outside the journey area or outside the usage period, you will be charged an additional fee for the journey.
